From James Redfield, the author of the phenomenal international bestseller, *The Celestine Prophecy*, and Michael Murphy, the author of the bestselling *Golf in the Kingdom*, with documentary filmmaker Sylvia Timbers, comes the story of the past, present and future of human potential - and a journey that can take contemporary seekers to the next level of spiritual evolution. Written with the insight of the *The Celestine Prophecy* and representing a unique pairing of global visionaries, *God and the Evolving Universe* is a book that deepens our knowledge of personal growth and shows how each of us can begin to integrate our extraordinary experiences into a heightened synchronistic flow - allowing us to participate consciously in an unfolding evolutionary adventure. With exercises that readers can use to develop the abilities they are reading about, *God and the Evolving Universe* heightens readers' awareness of their place in personal/planetary evolution and sets the stage for actualizing the next level of human potential.
